

DANISH STATE OF THE ART: FOCUS ON CIRCUMSTANCES, PUBLIC WORRIES AND CO-ROUTING

INSPIRE-GRID CONFERENCE
ON PUBLIC PARTICIPATION

BRUSSELS
JANUARY 25, 2017

AALBORG UNIVERSITY
DENMARK

DCEA
THE DANISH CENTRE FOR
ENVIRONMENTAL ASSESSMENT

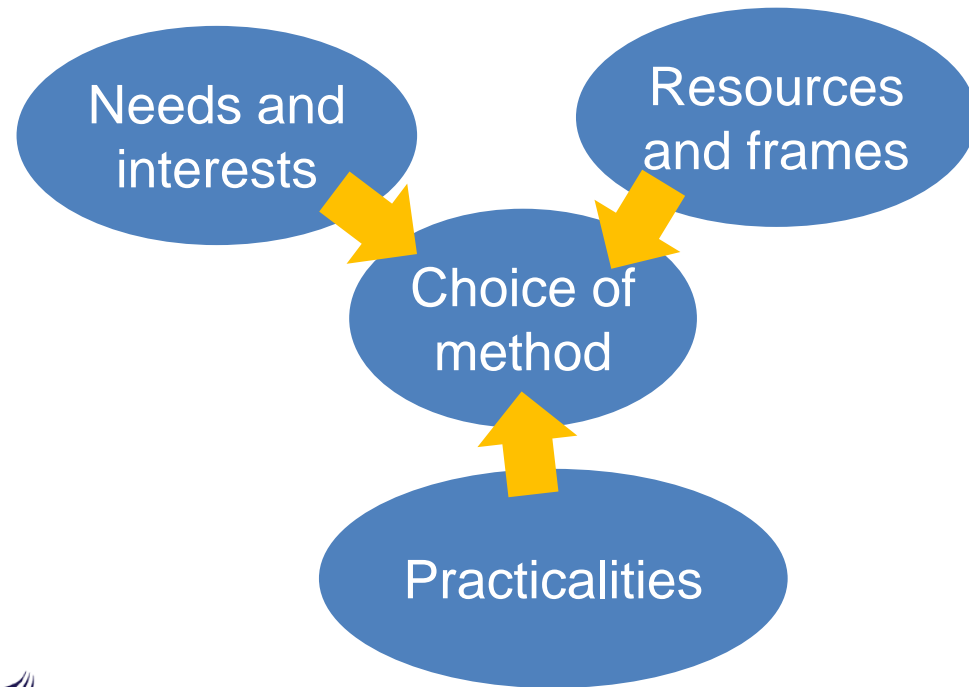

Dialogue on circumstances

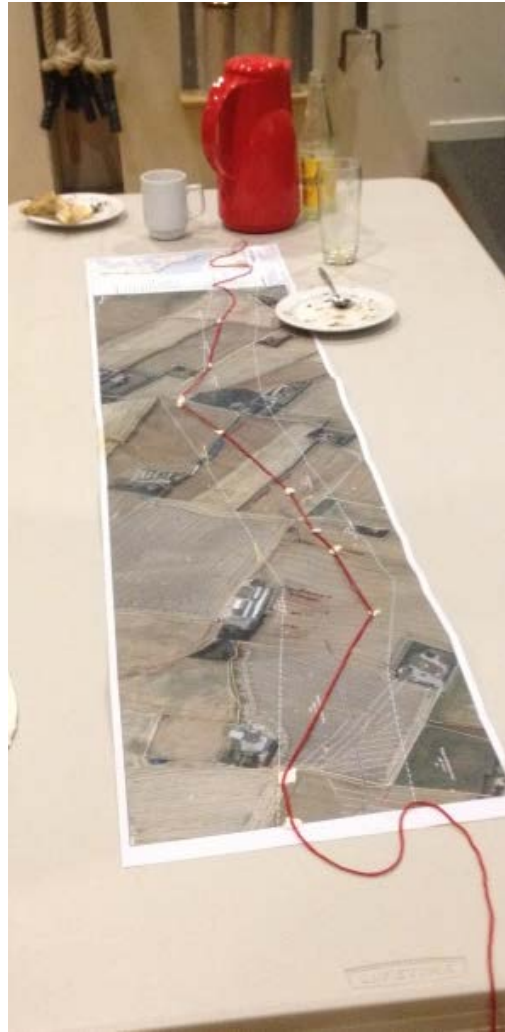

actioncatalogue.eu

Transparency and trust through open dialogue

Co-routing

Public worries

Increasing RE acceptance by meeting public concerns in EIA?

Danish EIA practice

Engineer and law

- Protected species
- Water quality
- Visual impacts

Public concerns

- Image, future, fears
- "Why is nature more important than humans?"

Questions are very welcome
