Agenda

Welcome & Introduction

Manon Quetstroey – Energy & Nature, RGI

Issue of bat mortality in Europe and solutions

Herman Limpens, Senior scientist at the Dutch Mammal Society

French case study: Solutions and challenges to implement solutions

Élise Drouet, Ecological engineer at H2air

Probat: Example of existing solution in Germany

Dr. Simon Ghanem, Environmental consultant at KS Umweltgutachten & KJM Conseil

Q&A and discussion

RGI – a unique cooperation between industry and civil society

RGI is a unique collaboration of NGOs and TSOs from across Europe engaging in an ‘energy transition ecosystem-of-actors’. We promote fair, transparent, sustainable grid development to enable the growth of renewables to achieve full decarbonisation in line with the Paris Agreement.
